WorldWise Tutoring

FOR COLLEGES, UNIVERSITIES, & SCHOOLS

An academic support partner for the students you most want to see succeed.

One partner for one-on-one tutoring, test prep, and academic-success coaching for a defined student cohort, delivered in person in Illinois and Texas and online anywhere.

WHO WE SUPPORT

First-generation, TRIO, bridge, and scholarship cohorts; student-athletes; students on academic probation; STEM gateway courses; and pre-health and graduate test prep.

WHAT THE PROGRAM INCLUDES

- Hand-matched, experienced educators (not peer tutors)
- Executive functions and study-skills coaching built into every session
- Support for ADHD and learning differences
- Scheduling around classes, practice, and work
- Term reports on sessions, attendance, and progress

HOW A PARTNERSHIP STARTS

- A 30-minute scoping call
- A proposal sized to your cohort and budget
- A pilot term with clear success measures

EASY TO WORK WITH

- W-9 and certificate of insurance on request
- Background-checked tutors
- Invoicing and purchase orders
- Student information kept confidential

WHY WORLDWISE

- Serving students since 2012
- Founded by a credentialed STEM classroom teacher
- Tutors are college-educated and experienced
- Featured in the Chicago Tribune, Forbes, and Fox News

PRICING

Per-student or per-hour program pricing, scoped to cohort size and services.

COMMUNITY IMPACT, BUILT IN

$1 of every $50 in program fees funds free tutoring through Educate. Radiate. Elevate., our founder's 501(c)(3) for under-resourced students in grades 6-12 in Illinois and Texas. Add sponsored seats for local high school students, and cite the impact in community-engagement and grant reports.

> **"World Wise Tutoring provided exceptional GRE training to our students whose scores rose dramatically from their first practice test to their last. We are so grateful for the time and flexibility that WWT offered us, as well as accessible lessons on an intuitive platform with kind, responsive, and experienced tutors."**
